**Don't Miss**

This grading period our character trait is **CARING**. This is something I observe everyday here at Legacy. Not only do I see our staff caring for the needs of our students, but I view many students showing compassion and gratitude towards others. Children have a natural desire to please and give of themselves. They instinctively forgive and want to see the good in all situations. This year our Legacy students have had many opportunities to help others and give of themselves. Whether it is a kindergartener pushing another child on the swing or a Jr. High student comforting a friend in distress, we are a school of caring individuals. Our staff, students and parents are a community that desires a school that exhibits caring and compassionate traits. We want our school to embody high moral character and be one that strives to teach our children that they can always demonstrate their best self. We want our children to understand that by caring and giving of themselves they will be rewarded with an intrinsic feeling of pride in helping others and making a difference in someone else's life. I feel we have created this climate here at Legacy this year and I want to personally thank our Legacy family for developing a climate of thoughtful and considerate individual that **CARES**.

### PALS INFO

*Parents Assisting Legacy Schools*

Please join us for our **PALS** meeting **tonight, Wednesday (2/15)** at **6pm** in the cafeteria. This meeting is open to everyone, and we greatly appreciate input and volunteers. See you there!

Please join us for our first Annual Father & Daughter Dance this **Friday (2/17)** in the gymnasium. DJ Marc has a great night planned for us with music, dancing, and games. **You don't want to miss it.** The first 100 girls through the door receive a gift. We will be having pizza for \$1 slice along with bottled water and soda for \$1 each. Don't forget to capture this memorable evening with a photo (5x7) for only \$10. Early Bird pictures start at **5:30pm**.

Our Spring Fling **Penny Drive** is underway. Each classroom is collecting loose change to help off-set the cost of the Spring Fling Carnival. The classroom with the closest estimation of change raised will earn an Eegee's party. Thank you for your continued support.

The collection of our Pop Tabs, for The Ronald McDonald House, is off to a great start. We have already collected over **15,000** tabs. **Mrs. Romero's class** is in the lead. Keep up the good work, Mustangs!

# Health Corner

Although the temperatures have risen and the days are quite beautiful, the mornings are still chilly. Wearing layers is the easiest way to dress for the day. Help keep all our children healthy by keeping your child home if they are ill. If your child has a fever or vomiting, please be sure they're symptom free without medication for 24 hours before returning to school.

# Caught Ya Corner

We would like to recognize the children whose names have been pulled from the "Caught Ya's" box this past week.

We appreciate ALL the students who make our school a wonderful place to be.

*Character Counts  
At Legacy*

Mustang Families please be conscience that during AM drop off, children need to be dropped off around the front of the school, utilizing the two drop off lanes.

**Do not utilize the parking lots to drop off children during the morning hours.** This causes a hardship for families who park and walk their children in, as well as makes a dangerous situation for those children walking across lanes of traffic.
